CAREER OBJECTIVE

Enthusiastic Information Technology undergraduate at Delhi Technological University with strong foundation in programing and web development. Seeking opportunities to apply problem solving technical skills in internships or tech-based projects

WORK EXPERIENCE

Software Development • Internship Jun 2026 - Present
Eythor, Delhi

Data Analysis • Internship Dec 2025 - Jan 2026
Bharti Airtel, Gurgaon

Working on analyzing speech and conversational patterns from prepaid chatbot calls to estimate customer satisfaction at the end of interactions. Extract and analyze features such as tone variation, pauses, and response behavior to understand user sentiment. Using these insights to support improvements in chatbot experience and prepaid recharge effectiveness.

EDUCATION

B.Tech, Information Technology 2024 - 2028
Delhi Technological University

PORTFOLIO
